

ULTIMATE LAB-TECH EXPERIENCE IN ASEAN

Laboratory Technology Tradeshow

Conference & Symposia

ASEAN LAB Best Practice

Business Matching & Partnering

EXHIBITOR PROFILE

- General Laboratory Equipment
- Laboratory Analytical Instruments
- Life Sciences, Biotechnology Equipment
- Clinical Laboratory, Molecular Diagnostics
- Information and communication technology
- Laboratory Consumables & Disposables and consumer goods
- Pharmaceutical & Medical Science
- Laboratory Furnishing/Interior, Facility for Analysis and Experiment

- Environmental Analytical & Measuring Instruments, Pollution Control Equipment
- Industrial Quantity Measuring & Quality Testing Instruments
- Measuring & Testing Instruments for each Industrial Field
- Metrology, Calibration, Microscope
- Laboratory Information Management System
- Laboratory Services, Association, Institutions, Magazines, etc.
- Medical & Pharmaceutical Services, Association, Institutions, etc.

VISITOR PROFILE

- Scientist, R&D Specialist, Researcher, Laboratory Manager, etc.
- Analytical Instrument User and Engineer
- Environmental Management/Biotechnology/Life Sciences
- Chemical Industry Business, Petrochemical Processing Specialist
- Food and Beverage Testing/Processing Professional
- Pharmaceutical/Chemical/Machinery and Precision
- Quality Control Management/Quality Assurance

- National and Public Research Institute, Associated Industrial Cluster, Research Institute, Education
- Corporate & Public Buyers, Analytical Instrument Dealer, Traders,
- Clinical Diagnostic Personnel, Medical Technologist, etc.
- Trade Association, Government Agency, Academics (academic medical centers/ research laboratories, university laboratories, etc.)
- Others (blood banks, local public health laboratories, community clinics)

SPECIAL FEATURES & CO-LOCATION

LIFE Sciences ASIA & Bio Investment Asia

- Bio Process : Drug Delivery, Fermentation & Cell Culture, Formulation, Separation, etc.
- Contract Services : CRO/CMO/SMO, Pre-clinical Trial, Drug Synthesis, Analysis services, etc.
- Up Scale Production : Stem Cell Research, Translation Medicine, Genetic Testing, Gene Expression, Next Generation Sequencing, Lab Automation and Supplies, etc.
- Bio Services: Bio-Cluster, Consulting Services, Public Supports, Biotech Companies, etc.
- Clinical Chemistry, R&D
- Molecular Diagnostics, Hematology Immunology, Microbiology, Oncology, etc.
- Medical Analysis, IVD
- Information & Communication Technology
- Laboratory Management

Med Lab

LAB Safety ASIA

- Laboratory Design, Laboratory Furniture
- Food Safety Test Kits, Labeling
- Personal Protective Equipment (Head/Eye/Hand/Respiratory Protection)
- Particle Separation, Disinfection & Removal Technology
- Sewerage, Irrigation, Water Filter & Purification
- Waste Water Treatment & Management
- Cleanroom Equipment & Service
- Fire Control & Electrical Safety
- Ventilation & Air Filtration, Dehumidifier

LAB Chem ASIA

- Chemical & Reagents
- Bio-Chemical & Polymer
- Fine & Specialty Chemicals
- Handling Glassware, Chemicals & Disposal
- Chemical Services, Chemical Machinery & Technology
