Subject Invitation to Thailand LAB INTERNATIONAL 2019

To whom it may concern,

It is my great pleasure to invite you to visit **Thailand LAB INTERNATIONAL 2019**, the 9<sup>th</sup> International Trade Exhibition and Conference on Analytical Laboratory & Technology, Biotechnology & Life Sciences, Chemical & Safety being held during 25-27 September 2019, EH 102-104, BITEC, Bangkok, Thailand.

Thailand LAB INTERNATIONAL 2019 has more than 500++ brands from 250 exhibitors from 20 countries and aim to welcome more than 12,000 trade visitors from over 40 countries around the world. Thailand LAB INTERNATIONAL 2019 has 3 national pavilions from China, India and Korea and is also co-located with the followings:

- **Bio Investment Asia** promoting business partnering and showcases of biotechnology, life science's technologies, services in medical & pharmaceutical, food & feed, cosmetics & healthcare, agriculture, environment & energy for bio investors and professionals in Asia.
- **LAB Safety Asia** focusing on personal protection equipment, sewerage, water filter & purification, waste water treatment & management, cleanroom equipment & services, fire control & electrical safety, ventilation & air filtration, dehumidifier, and laboratory design, etc.
- **LAB Chem Asia** concentrating on chemicals and technology for chemical analysis and testing, such as Chemical & Reagents, Bio-Chemical & Polymer, Fine & Specialty Chemicals, Chemical Disposal & Services, Chemical Technology, Culture medium & Sterilization Technique, etc.
- **MEDLAB Asia** focusing on the medical sciences, medical and clinical laboratory, medical technology and clinical diagnostics, such as hematology, in vitro diagnostics, clinical chemistry reagents and clinical laboratory equipment and supplies etc.

Varieties of conferences & symposia at Thailand LAB INTERNATIONAL 2019 will be one of the key highlights. More than 200 topics/ 50 sessions from conference partners, academic institutes, associations, government agencies and policy makers will be presented during its 3 days event. Conference topics cover latest information and knowledge on Science & Technology, Life Sciences & Biotechnology, Medical Sciences, Livestock, Food & Agriculture, Industrial and etc.

I am looking forward to welcoming you to Thailand LAB INTERNATIONAL 2019.

Best regards,

(Anucha Parnpichate)  
Head of Science & Technology Unit
